Speakers' Backgrounds

Keith Mortimer

Current AOMC president Keith Mortimer is an experienced executive manager with a specialist expertise in the Not for Profit and social sectors including recycling, mental health, disability, justice and aged care. Keith has also held leadership positions within his chosen clubs and is an enthusiast contributor to the movement

Darren Williams

Darren Williams, B.Bus (Acc), CA, CPA, is a Principal at Benjamin King Money and has expertise in business services, taxation, audit and due diligence gained from 7 years' experience in business services and over 15 years' experience in the manufacturing industry. This presentation will cover the basics of car club responsibilities for tax reporting (GST and income tax), including the principles of mutuality as it affects income reporting, and will include an update on recent ATO announcements on tax reporting requirements of Not for Profit organisations such as car clubs

Rob Nolan

Rob Nolan, B.Bus Dip.FS (Brok) ANZIIF CIP QPIB, is a Senior Client Manager at Atlantic Insurance. He will be discussing commercial insurances with a focus on Directors and Officers Insurance in the context of club risk management.

Julie Foster

Julie Foster is a media and communications professional. Commencing her career as a journalist, Julie has reported, written and produced across print, radio and television media. Julie most recently has been the Communication and Media Director for a major health promotion, not for profit organisation where she was responsible for all aspects of the organisation's communications. She is a wealth of knowledge and practical experience.

Mark Fenton

Mark Fenton is the current Treasurer of the AOMC. He is also the author of the Club Membership database that is available for free download via the AOMC website and will discuss and demonstrate the use of such databases for management of club membership and club permit vehicle records.
